

CLAIMS

1. A guaranty system,  
wherein a guaranty provider provides a  
guaranty which guarantees that an amount of an industrial  
5 emission generated from a preset industrial business  
fulfills a preset requirement,  
wherein a guarantee obtains the guaranty  
from the provider, and  
wherein a guarantor provides the guarantee  
10 with a hardware required to carry out the industrial  
business to a guarantee without any charge for the  
hardware.
2. A guaranty system according to claim 1, wherein  
the hardware is at least one selected from a plant, a  
15 machinery, an apparatus, and an equipment, which are  
required to carry out the industrial business.
3. A guaranty system according to claim 1, wherein  
the guarantor conducts maintenance of the hardware.
4. A guaranty system according to claim 1, wherein  
20 the guarantor conducts operation of the hardware.
5. A guaranty system according to claim 1, wherein  
the guarantee obtains the guaranty from the provider  
through a transaction of purchase and sale of the  
guaranty.
- 25 6. A guaranty system according to claim 1, wherein  
the guarantee obtains the guaranty from the provider  
through a transaction of a lease of the guaranty.
7. A guaranty system according to claim 1, wherein  
the industrial emission is at least one selected from a  
30 waste gas, a waste liquid, an odor, a vibration, a noise,  
a light, and a ray.
8. A guaranty system according to claim 1, wherein  
the preset requirement is defined by an Official  
Requirement against the industrial emission.
- 35 9. A guaranty system according to claim 1, wherein  
the provider and the guarantor are identical to each  
other.

10. A guaranty system according to claim 1, wherein the provider and the guarantor are different from each other.

5 11. A transaction of a guaranty which guarantees that an amount of an industrial emission generated from a preset industrial business fulfills a preset requirement.

10 12. A transaction according to claim 11, wherein a guarantor provides, along with the guaranty, an industrial hardware required to carry out the industrial business to a guarantee without any charge for the hardware.

15 13. A transaction according to claim 12, wherein the hardware is at least one selected from a plant, a machinery, an apparatus, and an equipment, which are required to carry out the industrial business.

14. A transaction according to claim 12, including a contract in which the guarantor conducts maintenance of the hardware.

20 15. A transaction according to claim 12, including a contract in which the guarantor conducts operation of the hardware.

16. A transaction according to claim 11, wherein the transaction is purchase and sale of the guaranty.

25 17. A transaction according to claim 11, wherein the transaction is a lease of the guaranty.

18. A transaction according to claim 11, wherein the industrial emission is at least one selected from a waste gas, a waste liquid, an odor, a vibration, a noise, a light, and a ray.

30 19. A transaction according to claim 11, wherein the preset requirement is defined by an Official Requirement against the industrial emission.
